- Manager approval

The company reserves the right to modify remote work arrangements at any time.

Work Hours

Employees must:

- Be available during core business hours of 9:00 AM to 4:00 PM local time.
- Attend scheduled meetings.
- Maintain accurate time records where required.

Workspace Requirements

Employees must maintain:

- A dedicated work area.
- Reliable internet connectivity.
- Secure storage of company devices.
- A distraction-free environment during customer interactions.

Equipment

The company may provide:

- Laptop
- Headset
- Monitor
- VPN access

Employees are responsible for protecting company equipment from theft, damage, or misuse.

Information Security

Employees must:

- Use company-approved devices.
- Connect through secure networks.
- Enable multi-factor authentication.
- Lock devices when unattended.

Employees must not:

- Share passwords.
- Use unauthorized software.
- Store customer data on personal devices.

Communication Expectations

Employees are expected to:

- Respond to internal messages within one business hour.
- Maintain updated calendar availability.
- Notify managers of extended absences.

Performance Management

Remote employees are evaluated using the same performance standards as on-site employees.

Remote work status may be revoked if performance expectations are not met.

Health and Safety

Employees must report:

- Workplace injuries occurring during work hours.
- Equipment safety issues.
- Ergonomic concerns affecting job performance.
